

Hadwins VW Technician Apprenticeship

We are looking to recruit an Apprentice Technician to join our workshop team at Hadwins Volkswagen in Lindale. This is a brilliant opportunity to start a career with Hadwins Motor Group and undertake an accredited 3 year apprenticeship programme, obtaining recognised motor vehicle qualifications.

The successful candidate will assist with repairs, routine maintenance and diagnostic work and gain knowledge from observing senior colleagues day to day. They will also undertake training at the state-of-the-art National Learning Centre in Milton Keynes.

A minimum of three GCSE's grades A* - C in English, Maths and Science are required.

To request an application form please contact Miss Amy Hodgson, HR Administrator, via email: amy.hodgson@hadwinsmotorgroup.co.uk or phone: 015395 34242.
