	<p>I went around Ulverston town centre with the map and looked for the crowns in the shop windows. Each crown had a year of Elizabeth II's reign displayed on it. I noted the year against the name of the shop on the trail sheet.</p>	<p>My mum and brother helped out.</p>

What did you have to do for this activity?

I had to make 2 airplanes with my mum, we went outside and stood next to each other but a little gap between. We threw our planes and they landed on the grass and very quickly after both of my dogs ran to get them a chew them. (As you can see in the picture, that airplane is chewed but the other one is nearly ripped and still in the garden). My airplane reached 4 meters and my mums one got about 2 meters.

	<p>This weekend on the 21st of May the BOFRA season of 2022 began! This season is a collection of fell races in all the different areas of Yorkshire (mostly). This year I moved up age category. I moved up from the U12's to the U14's. The first race of 2022 took place in Sedbergh.</p>	<p>Lost of other kids took part in this race along with one of my teammates Joe who like me also moved up age category this year.</p>
How did this activity make you feel?	Would you recommend this activity to anyone? Why?	Has this activity inspired you to try something else relating to it?
<p>It made me feel amazing afterwards. Even though I came last I did it in the best time I could've done it in as the U14's is a big step up from the U12's.</p>	<p>Yes I would if you love running up and down hills.</p>	<p>It definitely has. It has inspired me to carry on training and compete in the same race next year to see if I have improved my time as the only thing that matters to me at the moment is my personal record time not what I place.</p>

What did you have to do for this activity?

I wrote a story for my English tutor Sue. I spent all of last week writing a story based on a Picture I chose from my Great Grandads War Photo Album.

Did anyone help you or take part?

My Mum helped me with the beginning but then I wrote it myself

How did this activity make you feel?

Really good. Sue loved my story.

Would you recommend this activity to anyone? Why?

Yes absolutely. Writing stories is something I love doing. But I have spent too much time on my I pad

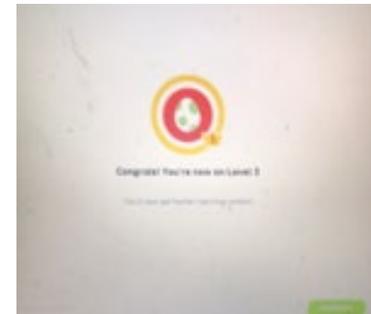

Has this activity inspired you to try something else relating to it?

Yes. I am going to improve my story as the punctuation wasn't the best. And then I'm going to write a new story.
