

# UVHS Learning Through Enrichment

## British Science Week Poster

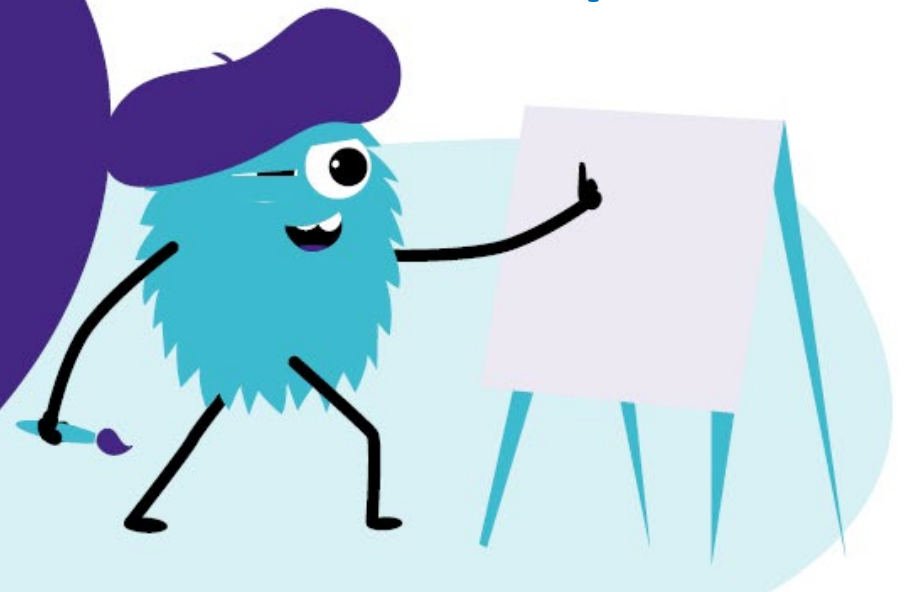

### POSTER COMPETITION

Students can get creative and enter the British Science Association's annual, UK-wide poster competition! They can make a poster about any version of 'Growth' that they like and be in with the chance of winning an array of prizes. The activities found in this pack, marked with a paintbrush symbol, could all be used as a source of inspiration to get students started.

**WIN!**

Take part in this  
UK wide Science  
Poster  
Competition!

Don't forget to share your progress on Teams 😊

# UVHS Learning Through Enrichment

## British Science Week Poster

Create a poster which is based around the British Science Week of theme of **'GROWTH'**

**Haver a look at these themes that you could include:**

- 1) Have you grown anything at home? What did you grow? How did you do it? What raw materials and conditions did it need to grow? How did you supply these things?
- 2) Personal growth: Have you done anything recently which was a real challenge? How did you go about this challenge? How has it helped you as a person to 'GROW'?
- 3) Inspiration: Is there anyone that has inspired your to 'GROW?' How did they help and inspire you? Which part of your personality has grown?

**What do you need to do:**

- ✓ Complete the poster on A3 or A4 paper
- ✓ Entries can be submitted in person to Mrs Hodgson or via a photograph to [rho@uvhs.uk](mailto:rho@uvhs.uk)
- ✓ Please also upload a copy onto your Teams enrichment assignment for that week too!
- ✓ The UVHS Science Department will judge the entries anonymously and **PRIZES** will be awarded for the **most creative** and **informative posters**

**Good luck everyone!**
