

**Welcome back to  
the UVHS KS3  
Learning Through  
Enrichment  
Platform!**

# UVHS Learning Through Enrichment

## How Will It Work?

1. You will be added to a new Enrichment Team for your year group to share success and see frequent updates

2. After Easter, you will be set an Enrichment Program assignment on your form team each week

3. Each week there will be a set of 12 activities for you to choose from!

4. There will also be the opportunity to partake in National Competitions, formal subject based academic activities and Coast Road Festival options

5. You can take part in as many activities as you like each week, and YOU have the choice to pick what you want to do and when

6. All you then need to do is upload a photo, a write up or one of the outcomes of the task to the weekly assignment and your tutor will celebrate your forms success every Friday in a weekly round up!

## What Will Happen?

- ✓ When we return to school after the Easter holiday on Tuesday 19<sup>th</sup> April, traditionally set homework will be suspended until the May half term
- ✓ This means you will have 6 weeks to take part in enrichment activities which will challenge you across a wide variety of topics such as arts, well being, fitness, wildlife and conservation, food, crafts, STEM and so much more!
- ✓ All you have to do is pick what you want to learn and when!

# UVHS Learning Through Enrichment

## Do I Have To Take Part?

**Yes!**

- ✓ The KS3 Learning Through Enrichment Program replaces traditional homework in its current form temporarily.
- ✓ If you cannot choose one of the weekly activities, national competitions, academic challenges or Coast Road Festival tasks to complete, then you must discuss this with your form tutor in the first instance or contact myself at [ffo@uvhs.uk](mailto:ffo@uvhs.uk)
- ✓ We will then work to find you an activity to complete on site in school instead.
- ✓ However, we hope there is something for everyone to choose from!

## Teams

**You will see you have all been added to a new Team!  
There will be one new Enrichment Team for Year 7, 8 & 9**

### Healthy Eating Week 2021!

Hello 8A Enrichment!

- 🍓 Well done for taking part in the 5 different themed days during Healthy Eating Week 2021!
- 🍉 I hope you all enjoyed your free fruit too on Friday from M&S!
- 🍷 Here is the link to the gallery of KS3 students who cooked a healthy dish during the week and wanted to share it with you all on Teams: <https://www.uvhs.uk/enrichment-engagement>

Instructions  
Hello everyone!

Your weekly assignment will take you straight to that weeks activity list 😊

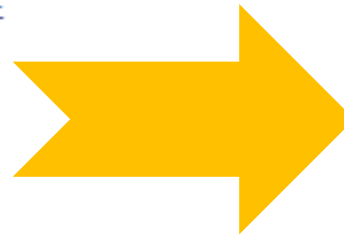

- Welcome to your first assignment of your **NEW Enrichment Team!**
- As you know, we have suspended traditional homework until May half term so you can all take part in learning at home through enrichment
- Please spend a few minutes watching the video on Learning Through Enrichment with your families here: <https://web.microsoftstream.com/video/0672744f-cbc1-4cbe-9eb5-fb838e390413>
- You can also visit the UVHS Learning Through Enrichment platform full of ideas for you browse and have a go at here: <https://www.uvhs.uk/ks3-learning-through-enrichment>
- You will find an **Enrichment Diary Log** attached to this assignment for you to record what you have been up to too!

You can complete as many enrichment activities as you like each week, and it would be great if you can talk about these during registration too with your form tutor

Say no to normal homework, and yes to fun!

#### Enrichment Diary

Name of enrichment activity:	Date of enrichment activity:
Photo	What did you have to do for this activity?
	Was this a family task? Did anyone help you or take part?
	How did this activity make you feel?

Use this page to write a log of what enrichment activities you have been completed this week. You could include photos, write it as a diary or use the text boxes above to get you started. Have fun, and please stay safe, happy and healthy!

We want to see what YOU have been up to! Each week, you will need to upload a record of what you have done. This could be a photo, an enrichment diary write up or an outcome of one of the tasks. For example a poem or Strava/Fitbit screen shot etc.

Your form tutor will have “Fab Fridays” with you to look at what everyone in the form has been up to that week on your submitted Teams assignments. This is your opportunity to share what you enjoyed with your friends and what you may like to try in the future. There will also be “Enrichment Student Of The Week” up for grabs every Friday!
