One of the most popular enrichment activities that Year 7 have taken part in this week is a theme night just like the ones below. Don't these pictures look amazing? This enrichment activity was recommended by Miss Walmsley and if you haven't seen it already, why not check the page out and get everyone in your family involved? With Shrove Tuesday and Valentine's Day just around the corner, why not match your theme to one of these? Use the link below for more details and have fun!
