## River Or Canal Birds

### River bird spotter

#### Come And Take A Walk On The Wildside!

During the current Covid-19 restrictions we should all try to stay fit with **daily exercise**.

We are lucky to be surrounded by so many **different habitats**.

Find somewhere local that you can explore to **identify the wildlife**.

Keep visiting the same place until you have found all the species on the spotter sheet.

When the restrictions are relaxed try to explore **other local habitats** further from your home.
