What enrichment activities have Y9 been up to this week?

What did you have to do for this activity?

For this enrichment task, there was a list of 30 ideas for a doodle to do every day for a month, but as this was just a weekly challenge, I just choose the seven which I thought would be fun to do.

Did anyone help you or take part?

I didn't need any help for this challenge, it was just doing doodles.

How did this activity make you feel?

I like drawing and spend lots of my free time sketching, it was a nice way to spend time, instead of doing normal homework.

Would you recommend this activity to anyone? Why?

If you like drawing and art this would be good for you to do, it doesn't need to be good, it's just a doodle.

Has this activity inspired you to try something else relating to it?

I will carry on and do the rest of the 21 ideas I didn't do yet. I have started playing Quick Draw on my PC, which is good fun.
