

UVHS Learning Through Enrichment

Make Fat Balls

Melt 250g lard

Weigh 500g seeds

Stir into the lard to combine fully

Portion into a tray

Or add a string to hang

Or roll by hand into balls

Carefully freeze your fat balls and wash up!

- ✓ STOP! Always ask permission first and work with an adult
- ✓ The fat and hob can burn so be careful
- ✓ Different birds like different foods – why not try adding frozen berries into one batch?
- ✓ More ideas here:
