## **POST-RESULTS SERVICES:** for A-level examination results 2025

Dear Student,

Congratulations on receiving your results. If you have any queries about your grades, please seek advice initially from a member of staff who will be on hand all morning of results day to assist you. Please remember you do not need to seek help specifically from your subject teacher – all staff are there to help you.

The post results services available, including costs (**per exam paper NOT per subject**) and deadlines are outlined in the table below.

**Please note there is only a need for urgency on results day if you have a University/Higher Education place pending.** It is vitally important that you inform the relevant university/college if you are intending to request a priority review of marking, as they **may** be able to keep a place open until the review has been completed.

The consent form to request access to scripts can be found via the link on the school website [www.uvhs.uk](http://www.uvhs.uk). To request a review of marking please contact the Exams Office via [exams@uvhs.uk](mailto:exams@uvhs.uk).

Requests for a review of marking will be processed once the required consent from your SCHOOL email and payment has been received.
