An exceptional school at the heart of the community

17th September 2019

Dear Parent

Parent Council

The first of this year's Parent Council meetings will be held on **Monday 23rd September** at **17.30pm in the Memorial Meeting Room** and we warmly invite you to attend.

For parents new to the school the purpose of the Council is for parents to act as a 'sounding board' on a range of issues identified by the school, which will help us to reflect on what we currently do and how it may be improved.

Additionally these meetings give us a range of parental opinions before new ideas or developments are implemented. This year we have discussed issues such as homework, literacy and communication, independent homework and revision to name but a few. Parents' views have then been considered before initiatives, such as the new homework system, have been introduced.

So if you have an interest in joining these discussions then do please come along!

We hope to see you on Monday.

Kind regards

Mrs A Desbottes
Deputy Headteacher
