An exceptional school at the heart of the community

13th February 2020

Dear Parent,

Pre-Loved Uniform Project

We are pleased to announce an exciting new project we are planning to introduce for the first time this year at UVHS in partnership with St Mary's Hospice. We are supporting the Hospice in their plan to put on a 'pre-loved' uniform sale twice a year, which will allow students and parents to buy high quality uniform which has been donated to the school or Hospice from families who no longer have use for the items. The money raised from this enterprise goes directly to the Hospice, thus promoting a more sustainable attitude to reusing high quality or little used items and also supporting a much valued local charity.

We are all aware of the need to live a more sustainable and 'greener' lifestyle in order to protect our environment and preserve it for future generations and this project would be a small step in that direction, helping us to reduce our carbon footprint and also promote these ideals amongst our students and the wider community.

This project has received very welcome support from local business Caterkwik, who have been incredibly generous in providing brand new equipment to allow UVHS to process donated items to the standard required for resale. With this in mind we would like to ask families to donate any uniform which they think would be suitable for resale and which they would like to donate to this worthy cause.

Further details of the uniform sales will be advertised throughout the community in due course.

Many thanks,

Mrs V Douglas
Engagement Centre Manager
