

Installing Office at home

Browse to the school website and click on the **Students & Staff** link:

Click on the **Get Office Professional Plus** link which is available in both the **Student Links** and **Staff Links** pages.

Sign in with your school email address and password.

On the Office page click on **Install**.

Office

Install Office 365 ProPlus

This will install the following apps on your computer: Word, Excel, PowerPoint, Access, Publisher, Outlook, Skype for Business, OneDrive for Business

Word

Excel

PowerPoint

Access

Publisher

Outlook

Skype for
Business

OneDrive
for Business

Language:

English (United States) ▼

Version:

32-bit [Advanced](#)

Don't see the language you want? Install one of the languages in the list above and then install a [language accessory pack](#). Additional languages and language accessory packs don't count against your install limit.
