11. To open the worksheet, click on the ellipsis (Three dots) to the right of the filename. Choose one of the three bottom options (Open in Word, Open in Word Online or Download). Open in Teams has been advised against by Microsoft for the present.

- 12. If you choose to open in Word or Word Online changes are saved straight back to the assignment and when you are happy, you can Hand in the work, see step 8.
- 13. If you download the file, you will need to upload the file again, see step 7.
