# Apprenticeship & Traineeship Vacancies

June | 2021  
Issue 43

# **Apprenticeships Overview**

An Apprenticeship is a perfect choice if you want to continue your studies by developing your skills, knowledge and behaviours, while also earning a salary. For many, it is the first step in deciding their long-term career as it gives them the necessary work experience.

If you've not yet found an Apprenticeship you'd like to apply for but it is something you are still interested in, we can help you. We'll support you through our vacancy-matching service and also discuss other work-based options, such as Traineeships, which can lead on to Apprenticeships upon completion.

## **Traineeships Overview**

Traineeships are an opportunity for young people aged 16 - 24 who are unsure on which career path they wish to go down. This could include recent school leavers or anyone wishing to trial different industries before climbing the ladder in their chosen field of work.

A Traineeship helps to boost your prospects by offering the skills and experience that employers are looking for, opening many doors for the learner such as further study on a Full-Time qualification, or perhaps an Apprenticeship. Alternatively, your employer may wish to offer you full-time employment in the workplace upon completion of your Traineeship.

The programme can last from six weeks up to one year and you are able to try as many different industries within that time as you wish, with the content tailored to your individual career needs. Alongside your high-quality work experience placement and essential work preparation training, we will also support you in gaining your Maths & English qualifications, should you need them.

## **How to Apply**

If you'd like to apply for a vacancy listed in this booklet, or already have an employer who'd like to take you on as an apprentice or trainee, please complete an application form on our website ([apply.lmc.uk](http://apply.lmc.uk)) and we'll contact you with further details.

Good Luck!

# HOSPITALITY & CATERING

## Hospitality Trainee - Morecambe Bay Chowder Co

**Qualification:** Employability Skills NCFE Level 1

**Working Hours:** TBC

**Duration:** 6 weeks

**Location:** Morecambe

Morecambe Bay Chowder Co is a family-run chowder business that serves fresh food designed to celebrate the produce of Morecambe Bay. All their produce is locally and sustainably sourced and they are working to create an innovative solar-powered catering unit resulting in zero carbon emissions.
