Dear Parents/Carers

Year 11 Virtual Parents' Evening - Online Appointment Booking

In these different times, we are unable to host the normal parents' evenings. We appreciate the need for personal contact between parents and teachers so we have adopted a method of having a "virtual" parents' evening. This has been trialled during 2020-21 and has proved very successful. Therefore, you are cordially invited to a Year 11 Parents' Evening to be held on **Tuesday 16th November** and **Thursday 18th November**.

The school has introduced a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments.

Using online video calls can cause issues and we are aware that not everything may run smoothly. We would like to thank you in advance for your patience if problems arise and welcome any feedback. Appointments can be made from **Wednesday 10th November** and will close on **Tuesday 16th October**. Should you wish to make any changes after this date please contact the school office.

Please visit <https://uvhs.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter.) Login with the following information:

Student's First Name

Student's Surname

Student's Date of Birth

It will also ask for one parent/carer title, surname and email on the login screen. It can be either parent/carer (that has parental responsibility) but your login information must match the information you provided on the online data sheet form that was recently completed.

Video appointments can be completed using any device with a microphone, speaker and web browser. [Sessions are time limited and will end when the time runs out.](#) Further guidance on how to use video calls is available here <https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

Yours sincerely
