Benjamin's Review

Honestly, this is one of the best books I have ever read; It has a classic take on the original "Whodunnit" idea but from 4 unique 17-year-olds with such diverse personalities. When people say good books are real page-turners, it's true! I was reading this novel for 3 hours straight! The book starts off rather slowly but then get interesting halfway through! I have said it once before and I will say it again: this is one of the best books I have ever read.
