An exceptional school at the heart of the community

10th June 2022

Dear Parent/Carer

Arrangements for the June 2022 Year 12 examination session

The Year 12 mock exams will take place between Friday 24th June and Thursday 30th June inclusive.

The exams will take place in a formal exam setting and as well as giving students and teachers an opportunity to assess progress halfway through A-levels, they are also designed to give students an authentic exam experience, especially as they have not had such an opportunity during the Covid pandemic.

During this time, Year 12 students are expected to attend all lessons whenever possible in a subject up until they have completed their exam in that subject. If students have an exam in the afternoon they do not have to be in lessons on that morning.

During the examination window, students will not be expected to have to register with their form tutor in the morning or afternoon.

The full June 2022 mock examination timetable can be viewed on the exams section of our school website www.uvhs.uk/exams/timetable and students will be given their own individual exam timetable.

All lessons will resume once the exams are over and students will begin to be taught new modules or carry on with coursework. Students are expected to attend all lessons up until the summer vacation.

Results from the internal examinations will be given out to students during lessons before we break up for the summer and we will also issue a subject progress review.

I wish all students every success in these examinations.

Yours sincerely

Mr R Rastelli
Head of Sixth Form
