Now she's ready to fight -for her mother, for her sister, for herself.
Freedom always comes at a price.
Run, Rebel is a trailblazing verse novel that thunders with rhythm, heart and soul -perfect for fans of Sarah Crossan, Elizabeth Acevedo and RupiKaur.

Anika's Review

The story follows Amber Rai (a daughter) watching, waiting, ignoring and concealing her anger. "Amber is trapped - by her father's rules, by his expectations, by her own fears."

Run rebel is the story of Amber's relationship with her mother however she slowly realises they can REBEL together.

Besides her home life, she is a high school student with a dream to follow in the footsteps of Allie Reid, her local Athletics champion.

Can her friends Tara and David help her?
Will she rebel?

Wrote in verse a powerful book about the nature of rebellion and the potential of yourself.

Manjeet Mann is a artist with words. I found the author Q and A really interesting .

Erin's Review

This is an inspirational story about a girl named Amber Rai who was born to Rebel. After suffering a hard and abusive life growing up, Amber and her mother have had enough and through friends, teamwork and resilience they find a way to break free and start a new life.

Lily's Review

This was a great book. I loved it so much. It follows Amber Rai, who's father limits her life. It shows her dealing with things like anger, betrayal, love and freedom. I would recommend to anyone.
