

"The Pledge"

UVHS pledges opportunities for:

- *Competitive team and individual sport and fitness development.*
- *All types of competition locally, nationally and internationally.*
- *Enriching Arts and musical experience, including public performance.*
- *Enriching extra-curricular experiences in all subjects including cross-curricular activities such as those in Science, Technology, Engineering and Mathematics.*
- *Residential opportunities (including living in the outdoors).*
- *The development of employability skills and the understanding of working environments, including the potential of Further/Higher Education and Apprenticeships.*
- *Community volunteering and citizenship skills (including charity work).*
- *Developing and sustaining leadership skills.*
- *Experiencing other communities both within and outside the UK, and celebrating the importance of "language learning".*
- *Celebrating success within school and the wider community.*
- *Enhancing environmental knowledge and practical opportunities to apply that knowledge.*
