POST-RESULTS SERVICES: for all Y13 students receiving summer 2023 A-level examination results

Dear Student,

In anticipation of receiving your A-level results please read the following information. We do hope you will be happy with your grades however should you wish to request your exam papers back, or query your grade, please first seek advice from a member of staff. They will be on hand all morning of results day to assist you. Please note, you do not need to seek advice from your subject teacher specifically – all teachers are there to help you.

There is ONLY a need for urgency on results day if you have a **University/Higher Education place pending**. They do endeavour to be flexible but it is vitally important that you inform the relevant university/college if you are intending to request a priority review of marking.

Priority Review of Marking:

Should you decide to pursue this, we strongly advise you to **submit a request using the consent form by 11am on Monday 21st August 2023**. It can take up to 15 calendar days to receive the outcome of a priority review of marking. (This service is available until 3pm on Thursday 24th August, but we would suggest you submit your request as soon as possible.)
