# The Intended Destination Questionnaire

## INTENDED DESTINATION QUESTIONNAIRE

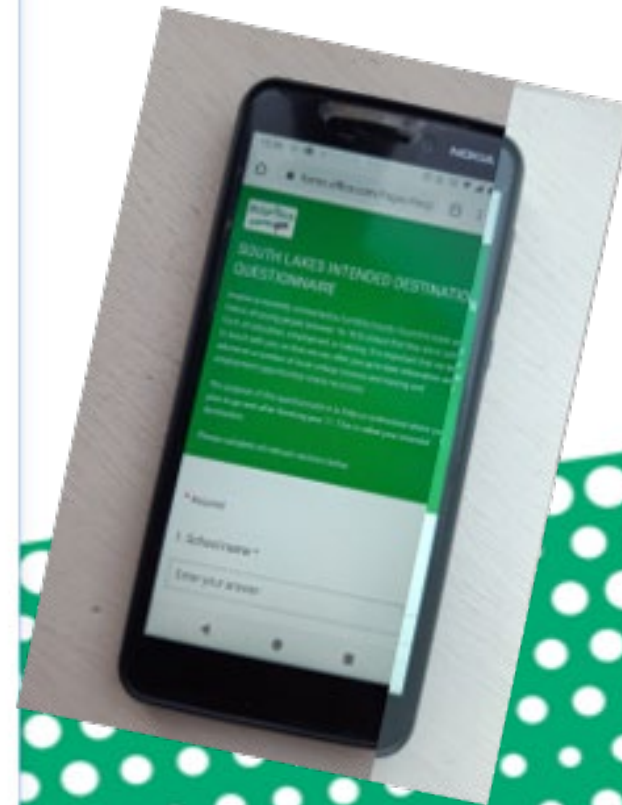

Inspira is currently contracted by Cumbria County Council to track and follow all young people between 16-18 to ensure that they are in some form of education, employment or training. It is important that we keep in touch with you, so that we can offer you up to date information and advice on a number of local college courses and training and employment opportunities where necessary.

The purpose of this questionnaire is to help us understand where you plan to go next after finishing year 11. This is called your intended destination.

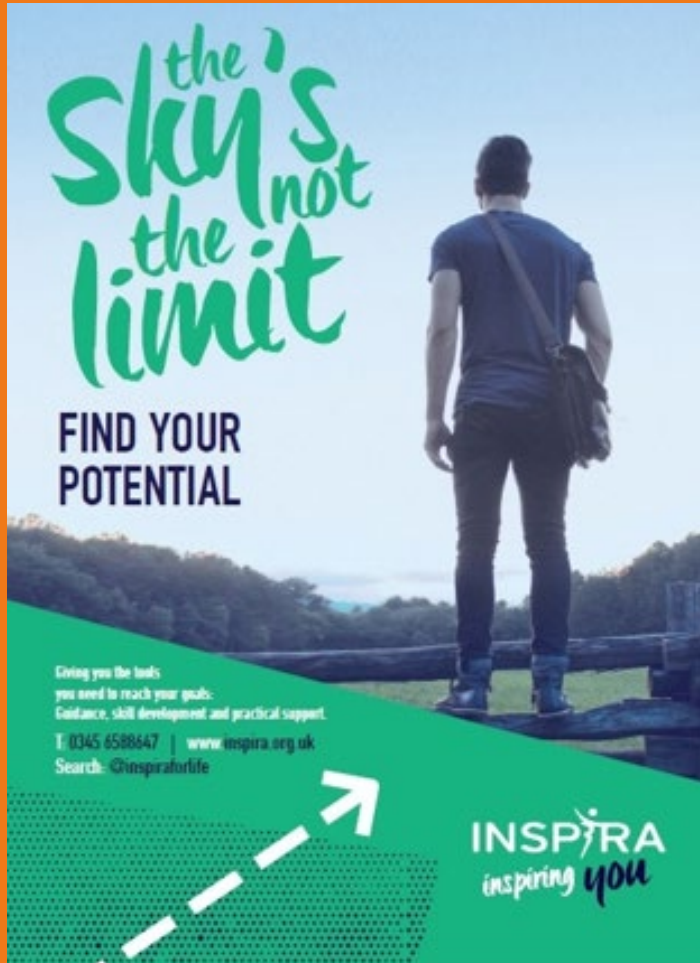

Please complete all relevant sections below:

1. School name \*

2. First name \*

# Careers Information Advice and Guidance

Inspira provides targeted Careers Information Advice and Guidance Intervention and support for young people who are at-risk of becoming Not in Employment Education or Training (NEET) or that become NEET.

As a result of the tracking and follow up work we are required to carry out, you may receive a follow call from us after September to check your destination or offer further support if you become NEET.

Should you find yourself Not in Employment, Education or Training after you leave school, please do not hesitate to contact us for free careers information and guidance on; **01229 824052**

After you finish school, there are a number of services available which you can access going into adulthood.

**National  
Careers  
Service**

Some of these services may also be useful for your parents too.
