An exceptional school at the heart of the community

14th December 2023

Dear Year 9 Parent/Carer

Year 9 Options Evening - Monday 8th January 2024

It is our pleasure to invite you to the Ulverston Victoria High School **Year 9 Options Evening** to be held at **6.00 pm on Monday 8th January 2024**.

The evening will begin with a presentation in the school hall. The purpose of the presentation is to inform parents of the options process and how you can support your children in making effective choices. We would prefer students not to attend this evening as they will receive the information during normal school assemblies.

Following the presentation, parents will have the opportunity to gather information from individual subject areas in an 'Options Fair'. This will be set out in the cloister. Senior staff will also be available to answer individual questions relating to the options process.

This is not a Parents' Evening in the usual sense. The subjects will present generally on aspects of the qualifications in that curriculum area, not your child's specific potential in that subject. A regular **Parents' Evening** will take place at school on **Thursday 18th January 2024**. This will provide an opportunity for you to discuss your child's progress with individual subject teachers.

On arrival we ask parents to please sign the register so that we are able to evaluate attendance at this Options Evening. Please note that the Lyndhurst Road area is resident only parking and that excessive parking causes problems to our neighbours. Parking will also be available at the Sandside School car park.

Yours sincerely

Mr A Nayler
Assistant Headteacher:
Curriculum & Data

Miss L Bosson
Pastoral Leader: Year 9
