Statement on Provider Access

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

Students in years 7-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships - through our careers fair, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact:

Years 7-11: Mrs Adams, Work-Related Learning Leader, Telephone: 01229 483900; email: jad@uvhs.uk

Years 12-13: Mr. Rastelli, Director of Sixth Form, Telephone: 01229 483900; email: rra@uvhs.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents:

UVHS KS3 & KS4 CAREERS PROGRAMME 2023

	Year 7	Year 8	Year 9	Year 10	Year 11

Premises and facilities

The school will make the school library, main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with Mrs Adams, Mr Rastelli, or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature for use in the school library, which is managed by the Librarian. The school library is available to all students at lunch and break times.
