RE: Homework Consultation

Dear Parent/Carer,

Homework plays an important role in students' education. It is a key part of the learning process, providing a vital opportunity for students to review and reinforce their classroom learning.

Furthermore, as a school, we value the role that homework plays in ensuring students can develop the skills to organise their work, and to develop the independent study skills they need to be successful in their GCSE and A Level exams.

As you play a vital role in supporting your child with homework, we would be very grateful if you would be able to complete a short survey to gather your views on homework at UVHS.

The survey consists of six questions, four of which are multiple choice. The results of this survey will be used alongside a consultation with staff and pupils. Our aim is to prepare all our students to become confident independent learners, and to support them to achieve this.

The survey can be completed by following this link, and it will be open to gather answers until **Monday 27th January**.

If your child is in Year 7-11, please use the link: <https://forms.office.com/e/ZuXW061bSr>

If your child is in Year 12 or 13, please use the link: <https://forms.office.com/e/BFPvmMxpyE>

If you have children across Year 7-13, we would be grateful if you could complete both surveys.

Yours sincerely

Mrs L Muldoon
Deputy Headteacher

Mr T Reader
Associate Assistant Headteacher
