3rd February 2025

Dear Parent/Carer

Year 8 Options Information

We continue to offer a rich, ambitious curriculum to all our pupils and in Year 9 they will have the opportunity to learn something new, or spend more time in some subjects, before they make their final KS4 choices. The Year 8 options program begins with an assembly on Thursday 6th February. A webpage will also be available - <https://www.uvhs.uk/year-8-options> - with an electronic copy of the **Year 8 Options Guide** and an **Options Presentation** covering the areas discussed during the options assembly and the different subject choices pupils can make.

The **Options Form** will be completed online this year. A link to the electronic form will be sent to pupils using their UVHS email account. When pupils and parents have read through the Options Guide and discussed potential subjects with teachers at our Parents' Evening, they will be able to complete the form using the link in the email. The form can only be completed once however, so pupils should take the time to consider their choices and the combination of subjects they would like to study in Year 9. **The final deadline to complete the form is Friday 28th February.**

Year 8 Parents' Evening – Thursday 13th February

You are cordially invited to a Year 8 face to face Parents' Evening to be held in school on Thursday 13th February 2024 between 3.45pm and 6.45pm.

Appointments will need to be made with your child's subject teachers. To that end, please agree with your child the teachers you would like to see, and your child must then make appointments with these teachers in accordance with the instructions they have been given in school. The times will run from 3.45pm to 6.45pm.

Please ensure your child allows you time to move between appointments, a good five minutes is advisable. For the system to work we must all stick to the schedule so please do not be offended if you are kept to time. Please sign in at reception in the main building. A list of rooms in which staff can be found, rooming plans and apologies for absence will be placed in the entrance hall. If you are unable to make an appointment with a member of staff or they are unavailable for whatever reason, then please add your child's name and theirs to the sheet which will be available in reception. Either they or the subject leader will then contact you by the end of the week. UVHS Governors will also be present and available at the parents' evening.

Please note that the Lyndhurst Road area is resident only parking and that excessive parking causes problems to our neighbours. Parking will be available at the Sandside Lodge School car park from 4.00pm onwards.

We look forward to seeing you on Thursday 13th February.

Yours sincerely

Mrs K Hayton
Head of Lower School
