25th April 2025

Dear Parent/Carer

As we enter the important exam period with Year 11, I am writing to give you some information about some changes we are making to the timetable over the next few weeks. We will be offering extra revision sessions in school to ensure pupils see their subject teachers on the day of, or the day before, each exam. The full timetable for these extra sessions is attached.

From now until Monday 9th June students must attend school as normal, attending all timetabled lessons. At this point, students will have completed the critical mass of their exams, however with several still to sit, we are restructuring the timetable to enable subject areas to deliver specific, tailored revision sessions, just prior to the exams that remain to be taken. **This change will come into effect immediately after the Biology exam on the morning of the 9th June, therefore transport arrangements will need to be made.**

Students are expected to attend these revision sessions to give them a final boost before their exams. If your child does not have an exam or a revision session to attend, they are not required to attend school. However, if you wish your child to remain in school for revision during this time, please let us know and we can allocate a working space for them. **School transport will still be available at the start and end of the day but if students are arriving/leaving at other times, alternative arrangements will need to be made.**

The dates and times of all revision sessions are as follows:

Creative iMedia revision	Monday 9th June 11:00am to 11:50am
Spanish revision	Monday 9th June 11:00am to 11:50am
Maths Revision	Tuesday 10th June (Normal timetabled Maths lesson)
Geography revision	Wednesday 11th June 2:40pm to 3:30pm
Chemistry revision	Thursday 12th June 11:00am to 12:40am
Physics revision	Friday 13th June 11:00am to 12:40am
Music revision	Monday 16th June 11:00am to 11:50am
Design Technology revision	Monday 16th June 11:00am to 11:50am
Spanish revision	Monday 16th June 11:00am to 11:50am
Food prep and nutrition revision	Tuesday 17th June 11:50am to 12:40pm

All students attending revision sessions or revising must be in full school uniform, enter school via the main entrance and sign in and out at reception.

Our Ref:

An exceptional school at the heart of the community

I would like to take this opportunity to remind you about some important upcoming dates.

Firstly, our Sixth Form Taster Day on Monday 23rd June, which will be an important opportunity for students to go to induction lessons for subjects they wish to study at A Level.

Secondly, our Year 11 leavers' assembly will be taking place on Wednesday 2nd July at the Coronation Hall. Please arrive for the assembly from 10:00am for a 10:30am start. Students should be in full school uniform for this occasion. We anticipate this to finish by 11:30am. On the same evening many Year 11 students have chosen to join us to celebrate their Prom. Students should arrive at school for approximately 5:00pm. The coaches will be leaving at 5:30pm prompt. We will return about 11:50pm and pupils can be collected from Booths' Car Park.

Finally, I would like to take the opportunity to wish all our students all the best in their exams and thank you, our parents, for all the support you have given us and your child in the lead up to a crucial period in their educational journey. As always, if you have any concerns or queries please do not hesitate to get in touch.

Yours sincerely

Mrs K Gardiner
Head of Upper School

Mr T Reader
Associate Assistant Headteacher
