Dear Parents/Carers

Arrangements for Collecting Exam Results

Please see below important information regarding collection of A-Level and GCSE exam results in August.

A-Level Results Day: Thursday 14th August 2025

School Hall: 8.30 am - 10.30 am

GCSE Results Day: Thursday 21st August 2025

School Hall: 9:00 am - 11.00 am

Access to school will be via the main reception and members of staff will be on hand in the hall to assist and offer advice to students during the morning.

Alternative arrangements:

If your child is going to be away on results day, the following two options are available to them:

Results can be sent via email to a student's school email address; emails will be sent in the early afternoon of results day. To request this, students need to email the exams office (exams@uvhs.uk) **from their school email address by Thursday 17th July.**

A student can nominate someone to collect results on their behalf by completing a 3rd party collection form.

This form is available via the exams section of the school website under 'Arrangements for collecting results' <https://www.uvhs.uk/exams>, or can be requested by email (exams@uvhs.uk). Please be aware that the nominated person will be required to provide photographic ID of themselves on collecting results and results cannot be given out to a 3rd party without receipt of a completed form. Completed forms should be returned to the Exams Office **by Thursday 17th July.**

School email addresses will remain active until after the post results services have been completed, and for security and data protection reasons, this email address must be used when corresponding regarding results. Unfortunately, JCQ regulations prevent us from giving out results via telephone under any circumstances.

Please note, the results are passed on to the local media for publishing as follows:

- Names will appear alphabetically using only the first initial and surname.
- For A Level students, the subject code and level is listed but NO grade given.
- For GCSE students, the number of GCSE passes 9-1 and vocational course passes are listed but NO subjects are given.

If you wish for a student's details to be withheld, please contact the exams office by Thursday 17th July.

Yours sincerely

Mr M Hardwick, Headteacher
