Dear Parent/Carer,

Year 10 Enrichment Week

From Tuesday 15th July to Thursday 17th July, your child will be involved in enrichment activities both in and out of school. The normal timetable is suspended so that students can take part in a range of activities which allow them to learn or develop skills beyond the school curriculum. Due to the nature of the activities, **school uniform may change on different days. Please see below for further details. They must wear full school uniform on the last day of term: Friday 18th July.**

On Tuesday 15th July, it is the sponsored walk and details about this have been sent separately. The programme of activities for your child is below. This also details any additional clothing or equipment they will need for each day. **During all activities and trips, including the sponsored walk, the usual school rules apply for mobile phones and other electronic devices.**

Date	Activities	Clothing and equipment
Tuesday 15 th July	Sponsored Walk Please see the letter from Mr Barton	Non-uniform. Sensible clothing and footwear. Waterproofs/suncream may be needed. Students will need a packed lunch.*
Wednesday 16 th July	Students will take part in a carousel of activities: BAE Stem Ambassadors Goals and Aspirations Fast Track to Success	Full school uniform.
Thursday 17 th July	Blue Planet Aquarium and Chesire Oaks trip. Please see the letter from Miss Bosson	Non-uniform. Sensible clothing and footwear. Waterproofs/suncream may be needed. Students will need a packed lunch.*

*If your child usually has lunch provided by school, this will be provided.

When finalising attendance on trips, due consideration will be given to a child's behaviour in school and to the practicality of keeping them and other children safe from risks.

If you have any questions about these enrichment days, please do contact Miss L Bosson or Miss F Herbert.

Yours faithfully

Miss L Bosson: Pastoral Leader Year 10
