

**Westmorland
& Furness
Council**

Your community is calling for a **20mph speed limit**

Have your say

Your Parish Council has provisionally secured funding through Westmorland and Furness Council to reduce the speed limit in your area to 20mph, to promote safer roads, reduce vehicle noise and enhance the environment for more walking and cycling.

Speed limits will only be reduced to 20mph if your wider community supports the scheme.

Have your say on the proposal by completing the Council's consultation before Friday 22 May

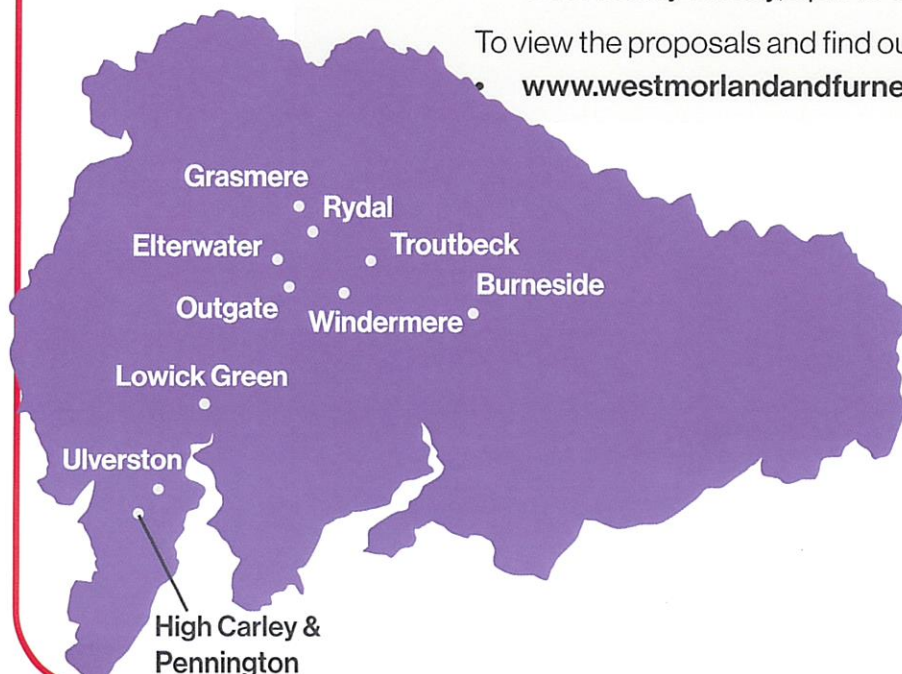

- Online at www.westmorlandandfurness.gov.uk/20mph
- At Kendal, Ulverston and Windermere Libraries

**Westmorland
& Furness
Council**

Dear Ulverston Victoria High School students,

We want to tell you about an idea to help make the roads around your school safer. The council is thinking about changing the speed limit near your school to **20 miles per hour**, so cars and other vehicles have to drive more slowly.

Slower speeds can help everyone - especially children - feel safer when walking, cycling, or scooting to school. It can also make the area around your school a nicer place to be.

Now we need **your help!**

There is a public survey happening until **Friday 22 May**, and we would really like to know what *you* think about the idea. You can share your views by sending us an email to:
20mph@westmorlandandfurness.gov.uk

Every answer is read and matters. What you say could help decide whether the new 20mph limit will happen.

Attached to this letter is a copy of our proposal that shows which roads are proposed for the speed limit to change. You can also find more information on our website –
www.westmorlandandfurness.gov.uk/20mph

If you have any questions or would like extra information or posters for school, we'd be happy to help.

Thank you for taking part - your ideas are really important!

Yours faithfully,

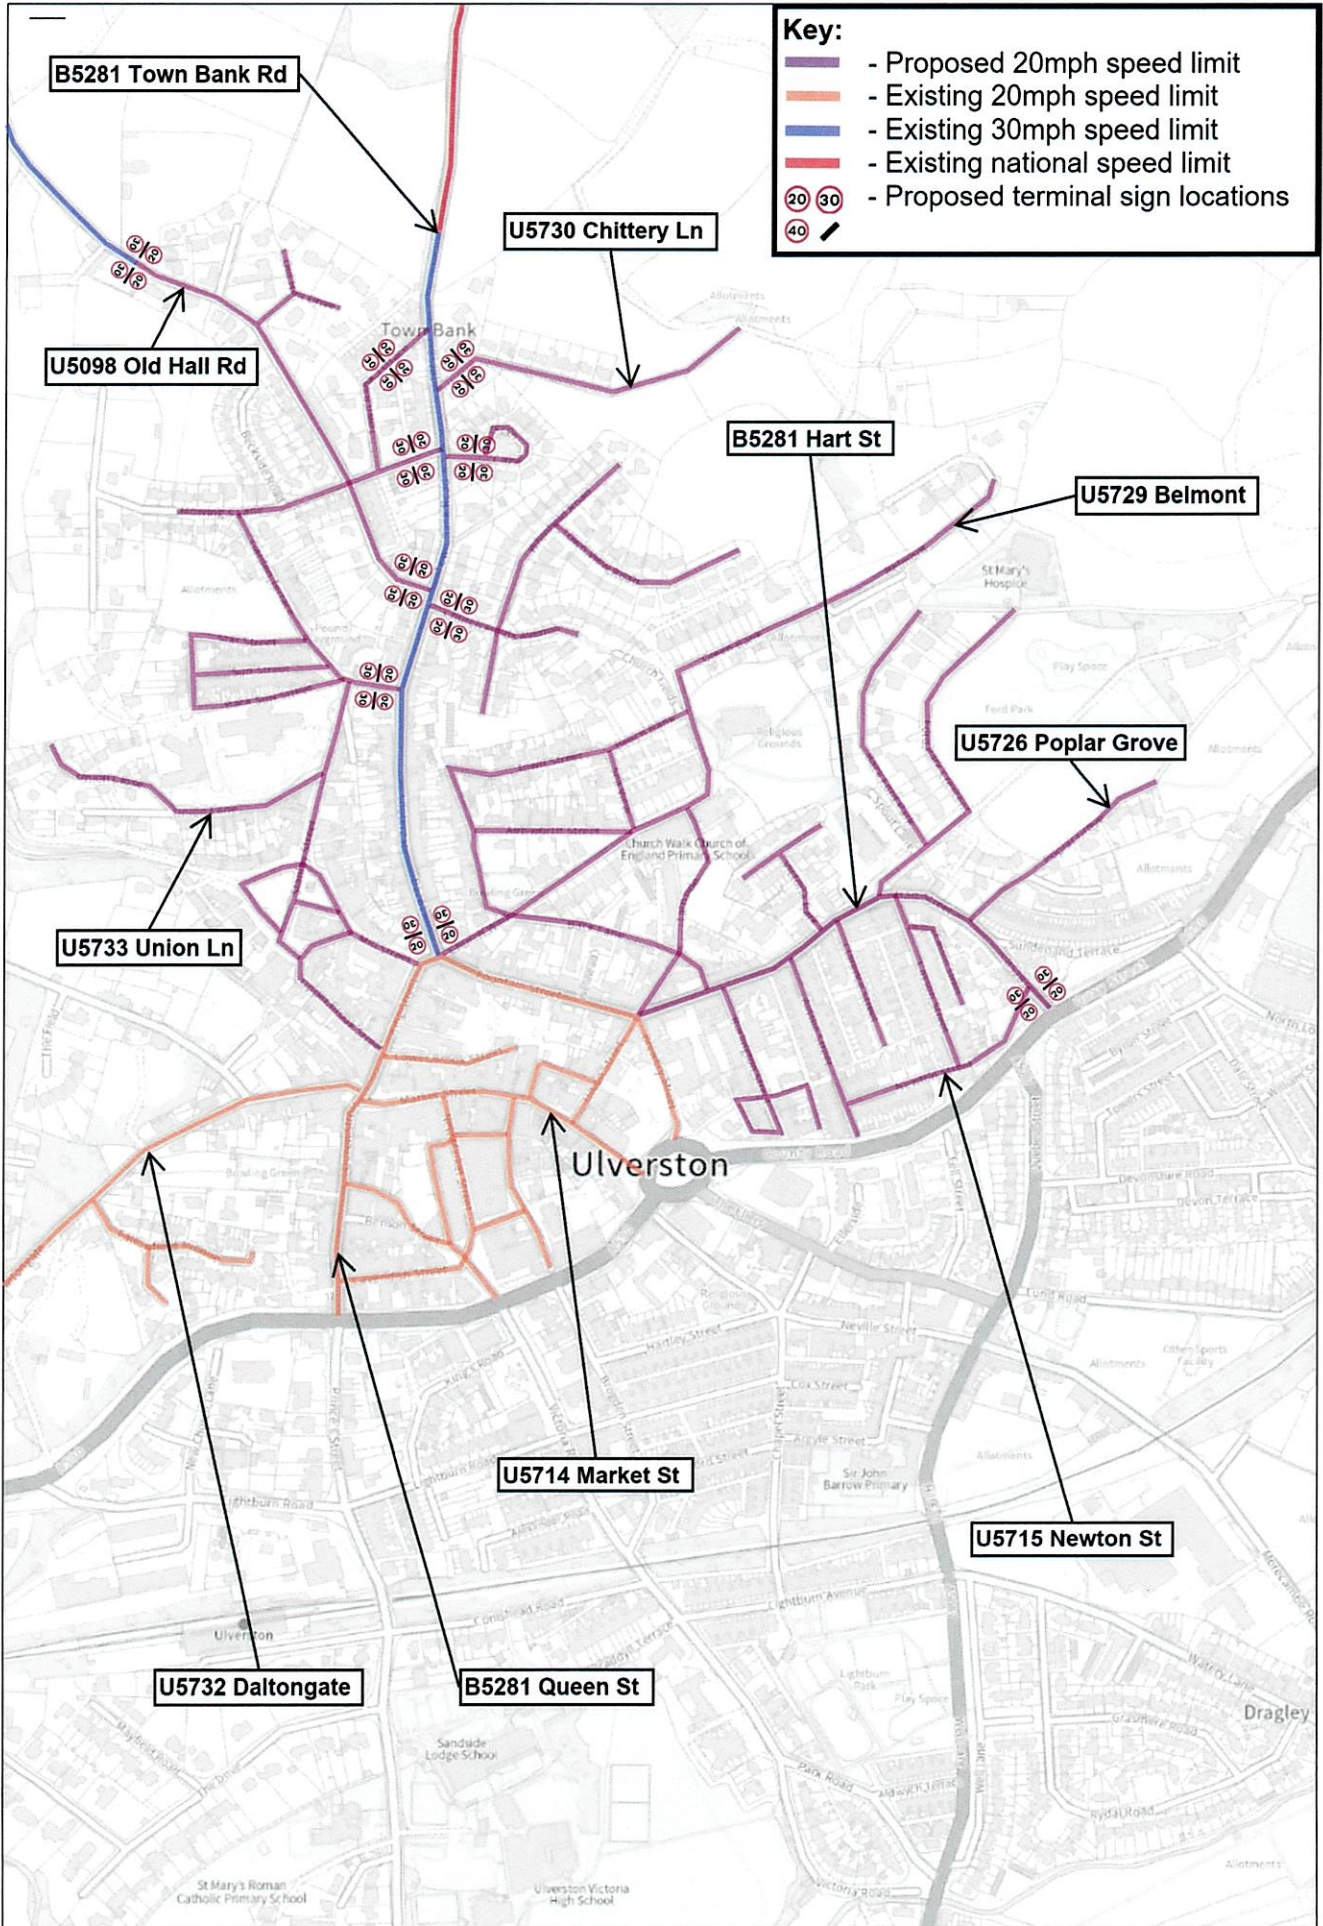

James Thomson
