POST-RESULTS SERVICES: for A-level examination results 2026

Dear Student,

Congratulations on receiving your results. Should you have queries about your grades, you can seek advice from a member of staff, who will be on hand all morning of results day to assist. You do not need to seek help specifically from your subject teacher – all staff are there to help you.

The post results services available, including costs (**per unit/component, NOT per subject**) and deadlines, are outlined in the table below.

Note there is only a need for urgency on results day if you have a University/Higher Education place pending. It is vitally important that you inform the relevant university/college if you are intending to request a priority review of marking, as they **may** be able to keep a place open until the review has been completed.

The consent form to request access to scripts can be found via the link on the school website www.uvhs.uk. If a review of marking is advised, contact the Exams Office for the necessary form via exams@uvhs.uk.

Requests for a review of marking will be processed once the required consent from your SCHOOL email and payment has been received.
