2nd November 2026

Dear Year 11 Parent/Carer

Year 11 GCSE Information Evening – Thursday 12th November 2026

We are writing to invite you to the Year 11 GCSE exams Information Evening.

As a school we work hard to maximise the achievement of all students and we recognise the vital role that you, as parents, play in supporting your child in their GCSE examinations. The aim of the evening is to share important information on how you can support your child through the rest of Year 11 with revision and exam preparation.

The evening will be on Thursday 12th November from 6.00 pm until 7.00 pm in the main school hall. The programme will include short presentations on the following:

- Supporting your child's revision process and reducing stress during exam periods.
- Exam regulations.
- Supporting your child with English, Maths and Science revision.

You will also receive a draft timetable for your child's mock exams which run from Wednesday 13th to Friday 22nd January 2027. These dates are **provisional** until the timetable is finalised but are included here as a helpful guide. You will also receive a list of topics on which they should focus their revision.

We encourage your child to attend with you, but this is not essential. Year 11 students will receive a revision workshop and have an assembly on exam regulations before the mock exams begin.

I should emphasise that this is not a parents' evening and classroom teachers will not be available to discuss individual student progress in specific terms.

If you have any concerns or questions, please do not hesitate to contact me.

Yours sincerely

Mrs L Muldoon
Deputy Headteacher
